

PROJECT BUSH BABY FOODS

OWNED BY: SENTINEL NEXUS SYSTEMS PBC

OWNERSHIP MODEL

BUSH BABY FOODS

Bush Baby Foods is owned, established, and operated under Sentinel Nexus Systems (Private Business Corporation).

Sentinel Nexus Systems (PBC) acts as the holding and operating entity responsible for:

- Capital deployment
- Asset ownership
- Lease agreements
- Regulatory compliance
- Supplier contracts
- Operational oversight

Bush Baby Foods functions as a trading brand and operating unit under Sentinel Nexus Systems, not as a standalone legal entity in Phase 1. All equipment, branding assets, and

The background features a vibrant, cartoon-style illustration of a brown rabbit character with large, expressive eyes. The rabbit is holding a glass of orange juice with a red and white striped straw in its right hand, a slice of pepperoni pizza in its left hand, and a red bucket of golden french fries in its right hand. Below the rabbit, the words 'BushBaby' are written in a large, bubbly, yellow-to-green gradient font. Underneath that, the word 'FOODS' is written in white, bold, sans-serif capital letters on a red, ribbon-like banner. The entire scene is decorated with green leaves and small yellow starburst effects.

intellectual property associated with Bush Baby Foods are owned by Sentinel Nexus Systems.

This structure provides the following advantages:

- Centralized control of capital and assets
- Reduced legal and administrative duplication
- Easier replication of additional outlets under one entity
- Clear separation between brand operations and personal liability

All revenues generated by Bush Baby Foods are accounted for within Sentinel Nexus Systems' financial records. Any future expansion, franchising, or spin-off of Bush Baby Foods into a separate legal entity will be evaluated only after sustained profitability and operational stability are demonstrated.

The ownership model is intentionally simple in Phase 1 to support speed of execution, cost control, and disciplined scaling.
